ABOUT US

Texworld Knitwear Limited is a **100% export-oriented** and fully compliant knitwear manufacturer based in Dhaka, Bangladesh. Equipped with cutting-edge technology and a team of skilled professionals, we specialize in producing high-quality knit garments that meet the rigorous standards of international markets. Our commitment to compliance, ethical practices, and worker welfare ensures that every product we deliver upholds the values of responsibility and excellence.

Over the years, we have earned the trust of leading global brands by consistently providing superior quality, on-time delivery, and reliable service. At Texworld Knitwear Limited, we continuously invest in innovation, efficiency, and sustainability to remain a dependable partner in the global apparel supply chain.

Our Mission

We strive to provide quality services on time through our best practices for the satisfaction of our clients & partners. We value open discussion and mutual respect to create a friendly working environment. Initiative, innovation, and teamwork are our hallmarks. Ensuring the welfare and rights of workers is our main responsibility. We are determined for a green clean environment. We are also committed to fulfilling our duties and responsibilities towards society as a Corporate body.

Our Vision

To grow as the most diversified global and respected company.

Director

Md. Abdul Hamid Pintu

Chairman

Md. Abdul Hamid Pintu is a seasoned entrepreneur with over 30 years of experience in Bangladesh's Ready Made Garments (RMG) sector. Beginning his career in 1990, he quickly earned recognition for his integrity and expertise in apparel sourcing and manufacturing. In 2004, he founded KFS Fashion, a Dhaka-based buying house serving leading clients across Europe and North America, followed by S and S Enterprise, further strengthening his footprint in global sourcing.

A portrait of Swapan Kumar Das, a middle-aged man with dark hair and a mustache, wearing a brown blazer, a blue and white checkered shirt, and a green striped tie. The background is orange with a faint globe graphic.

Swapan Kumar Das

Managing Director

Swapan Kumar Das has been an active figure in the textile industry since 1985, beginning his career as a financial analyst in a government-funded bank before transitioning into the RMG sector. Holding an MBA from IBA and a Master's in Mass Communication and Journalism from Dhaka University, he combined academic excellence with practical experience to establish several successful ventures, including Dolphine Fashions Ltd., Knitex Dyeing and Printing Ltd., and Century Associates Ltd. In 2001, he founded Tex World Associates Ltd., a techno-economic indenting and consultancy firm that has since partnered with over 500 factories across Bangladesh, India, and beyond, solidifying his reputation as a visionary entrepreneur in the textile fraternity.

Shauma Arnab Das

Director

Shauma Arnab Das, elder son of Mr. Swapan Kumar Das, serves as the CEO and Director of Overseas Affairs at Tex World Knitwear Ltd. He holds a Master's in Management from CASS Business School, UK, and a Bachelor's in International Business from Brunel University London, alongside certification as a Management Consultant. With prior experience at a top-tier consultancy firm in London and as an adjunct MBA lecturer in Dhaka, he brings over 8 years of expertise in sourcing, procurement, and internal management to drive Tex World's global growth.

Abdus Sakib

Director

Abdus Sakib is a marketing professional and entrepreneur recognized for his strategic vision and innovative approach. After earning his BBA in Marketing, he joined KFS Fashion in 2017 as Marketing Director, where he strengthened the brand's identity, boosted market share, and drove digital engagement. In 2025, he founded Tex World Knitwear Ltd., where he now serves as Director, overseeing operations, marketing, and business development. Through his leadership, he champions sustainable, trend-aligned fashion while fostering innovation and growth in the textile industry.

BUSINESS MODEL

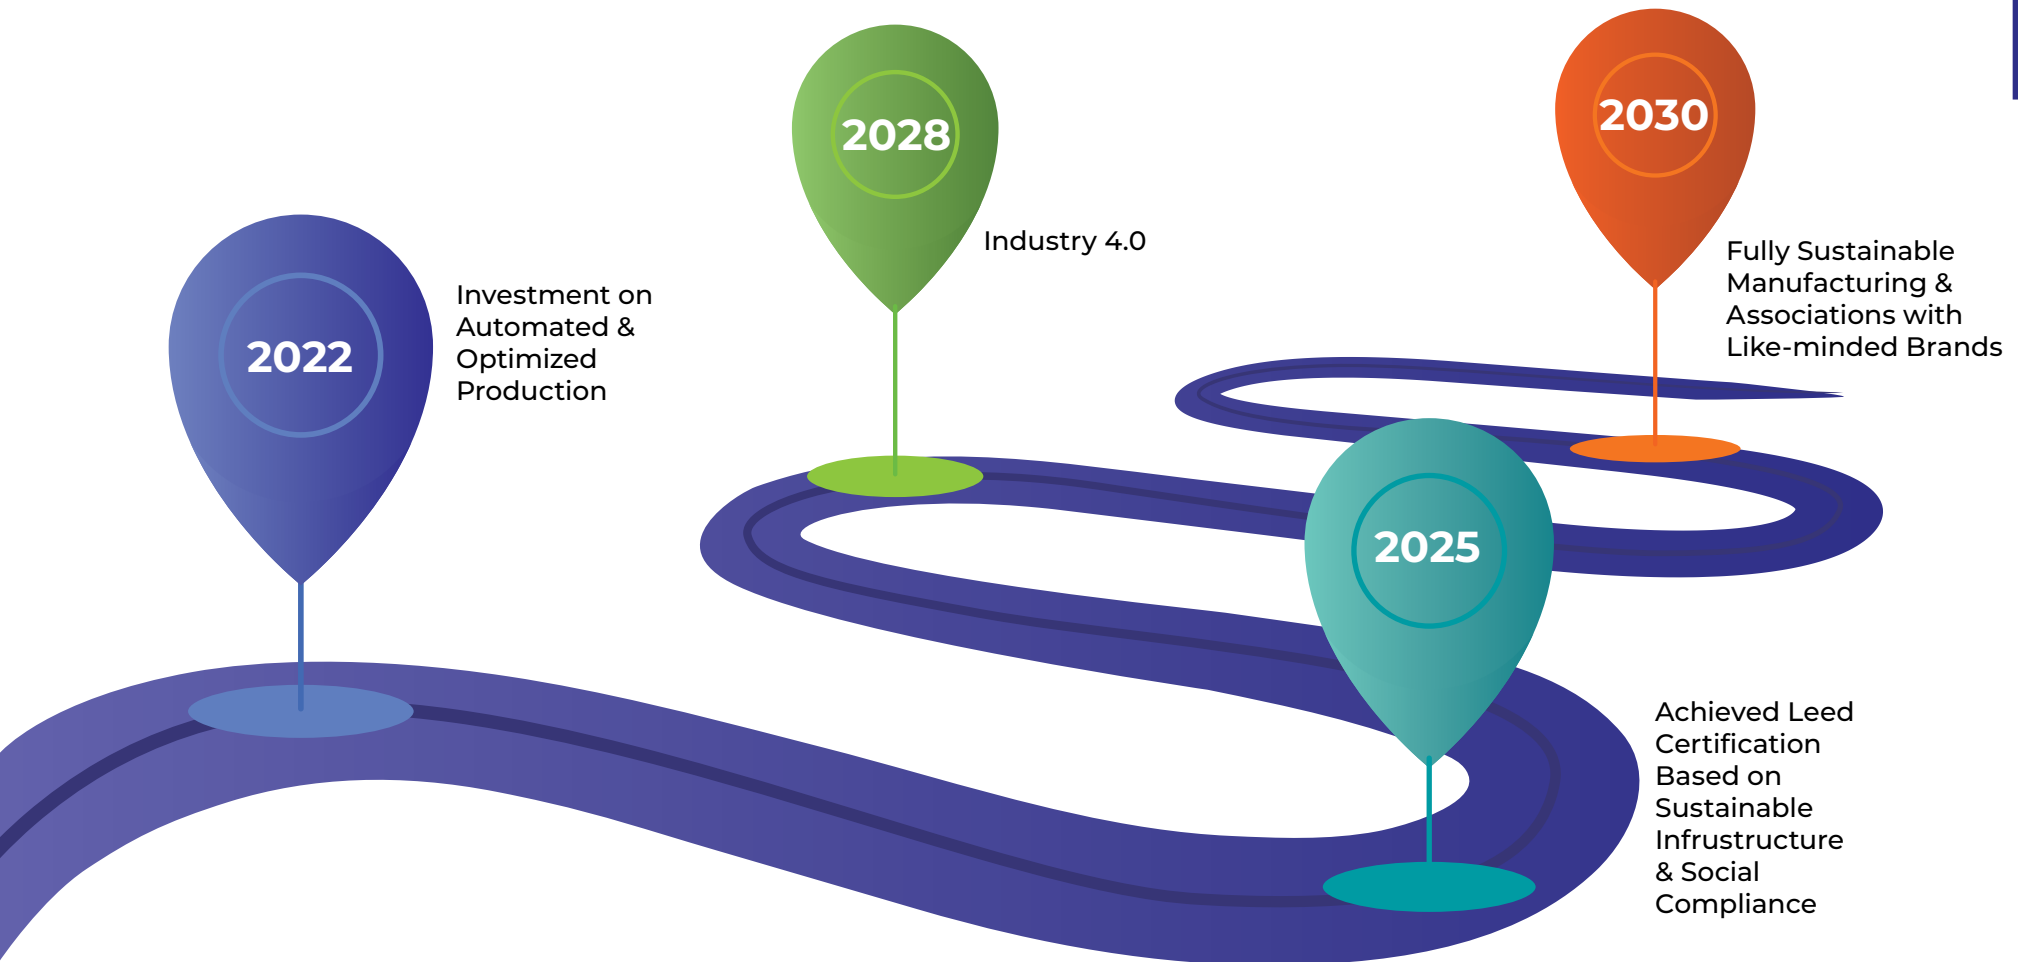

Sustainability

At **Texworld Knitwear Limited**, sustainability is embedded in every aspect of our operations. We practice good governance to ensure transparency and accountability, while embracing circular manufacturing processes that minimize waste and promote resource efficiency. Our strong focus on environmental awareness guides us in reducing our ecological footprint, complemented by continuous innovation and research to develop sustainable solutions. By maintaining economic stability, we not only support long-term growth but also contribute to the resilience and competitiveness of Bangladesh's apparel industry.
